

I just want to register my disapproval of any move on the part of the FCC to allow cross-ownership of newspaper and broadcast outlets in the same market. We need to keep a balance of views in the public media. It's one of the things that has made this country great and I thoroughly disapprove of any move to grant cross-ownership of news media in any market in this country. Thank you for allowing me to air my position.

GOD BLESS AMERICA!
